How to Post a Quality Comment

1) Find somebody's page that has some same interests as you, sports, animals, subjects, etc.

2) Comment in the form of a letter, with correct grammar, and spelling.

3) Be mature and polite, and ask them questions about their page to know more about them. Start a conversation!

How to Post a Quality Comment

4) Make sure you don't include your last name, address,1 etc. Don't leak important information!

5) Make sure to sign your FIRST name only, and proofread for spelling and grammar mistakes.
